

Tebay Service Station, Cumbria

Westmorland Ltd. are the UK's only independent, family run, service station. Located on the M6 Southbound just south of Carlisle, the existing stone and slate building is nestled in the Cumbrian countryside with panoramic views of the surrounding hills.

The client is proud of their locality and their independent status and wanted to update their interior to reflect their company ethos.

The scheme was designed to enhance locally sourced and produced merchandise make the most of the light, space and views.
